All calls and allowances are for usage within Australia (excludes use overseas). Unused allowances will not carry over to the following month. If you connect to this plan partway through a month then your monthly access fee and any allowances will be calculated based on the number of days remaining in that month, it's called pro-rata billing.

## TO HELP YOU COMPARE OUR PLANS

Below is the unit pricing for this plan, these rates are deducted from your included call value. You will then be charged these rates once your included value is exceeded.

Excess usage charges apply once your included data value is exceeded.

2 min. standard national mobile call = \$2.15

Standard national SMS = no charge

1MB of data within Australia = \$0.25

This plan enables you to access 4G (when using a 4G compatible handset). The Optus 4G Network is available in selected areas. To check coverage go to [www.communitytelco.com.au](http://www.communitytelco.com.au). Outside 4G coverage areas compatible handsets will switch to the Optus 3G network.
